

GLOBAL USUI FAMILY FESTIVAL 2015 Album

November, 23, 2015
Q.A Dept.

1. Layout

2. Activities at hall

■ Grand hall (Improvement idea presentation)

Not only presentation, but also traditional dance of oversea sites was performed.

■ Each spaces and plaza

At international exchange space, children could communicate with members of overseas sites.

Kick target game by Azul claro. Many of children who like soccer came.

Making toy gun by using pipe bending jig.

We could know how is the resident's life at overseas sites and try to sweets.

Lottery which held at introduction space of domestic sites provided us chance to get famous products of various places.

All photos of exhibition taken by USUI employees.

■ Each booth and Hidamari plaza

Food carts prepared by labor union. We could enjoy eating typical Japanese festival foods like Yakisoba, Takoyaki etc.

At the stage of Hidamari plaza, many events for children (Treasure-hunt game, Rock-paper-scissors tournament, etc.) were held.

Soccer-robot game. Children deepen interest to technology through playing game.

Nirayama plant tour. Participated children could study what products produced and job of parents.

Nirayama reverberatory furnace (World heritage site). Visitors could study local history.

Products introduction. Explained USUI products clearly.

■ Performances at hall

Japanese drum performance by Izu Sogou high school.

Cheerleading by Powerful Kids.

Traditional Japanese dance by Izu Nagaoka Geisha Union.
